

## TENNIS AT THE LANDINGS FACT SHEET

With an excellent tennis program, an exceptional teaching staff, an active tennis membership and outstanding tennis facilities, The Landings is a tennis community that rivals any in the Southeast.

The Landings Club features three tennis centers. At the Marshwood Club, there are eight fast-dry courts and two platform tennis courts; two of each are lit for night play. Marshwood also features a practice backboard and plenty of benches and drinking fountains in the shade of the oaks that surround the complex.

The Franklin Creek Tennis Center was awarded the 2004 USTA Southern League Facility of the Year. It consists of a clubhouse with a large Pro Shop featuring all major lines of tennis clothing and equipment, offices, and men's and women's locker rooms; a practice backboard and 20 fast-dry courts, 2 lighted hard courts, and a permanent, 500-seat center stadium court chosen by Tennis Industry magazine as its Stadium Court of the Year for 1994 as well as the recipient of the 1996 Facility of the Year award by the Georgia Tennis Association. Outdoor seating areas with canopies and a pleasant gazebo are located near the clubhouse, and all courts have benches, shelters, and drinking fountains nearby.

Finally, the Oakridge Fitness Center features four fast-dry tennis courts.

Enthusiastic and competent USPTA/USPTR-certified tennis professionals are available at each facility for private and group lessons. In addition, they regularly conduct clinics for men, women, juniors and seniors. Working with The Landings Club members, they creatively organize numerous tournaments for serious competition and for fun. Club championships are held each year in singles, doubles, and mixed doubles in all categories of play. Mixed socials, and charity and sanctioned tournaments round out the fun-filled season. Inter-club tennis is also available and very popular with men and women. For Landings Juniors, there is a year-round tennis program along with the annual tennis camps held during the summer. These are always popular events.

Each year since 1988, The Landings has hosted a major National USTA event, the Men's 40 Clay Court Championships. Response of the players and USTA officials has been so favorable that The Landings will continue to host this event.

The Landings Club tennis professionals also coach The Landings teams involved in men's and women's league play. With over 700 of its tennis members involved in social and competitive tennis, The Landings Club has the largest representation of any club in the Savannah area. Landings' teams from A-1 to C-2 levels have proven to be some of the area's best.

Tennis members at The Landings range in age from 5 to 85! They are an active outgoing group who enjoy competition on court as well as social gatherings offered each month throughout the year.
